BOY SCOUTS OF AMERICA

St Raymond's has its own Boy Scout Troop

Troop 683 meets in the St Raymond's Parish Hall, Wednesdays 7:30 to 8:30 PM every week.

Overview

Troop 683 is "Scout-run" in both word and practice. Our purpose is to help Scouts become honorable men. To achieve this Troop 683 helps our Scouts to build moral strength and character, foster citizenship and develop physical, mental and emotional fitness.

Program - the key to keeping boys in Scouting and delivering the promise

The troop has monthly campouts. Typically we meet and depart for the campout on Friday evening around 5:30 returning home on Sunday morning or early afternoon depending on the location of the campout.

Summer camp in 2008 will be at Camp Rodney on the Chesapeake Bay In coming years high adventure activities will be added such as Sea Base, Philmont, and Northern Tier.

Special activities and service projects: Scouting for Food, Scouting on the Mall, camporees, and other district and council events
